2. Reason for Application

Please describe the situation caused by the effect of the COVID-19 pandemic and financial difficulties in detail. If these cannot be confirmed, the application will be rejected.

<Sample 1>

I am applying for the emergency deferment to get permission for the late payment of entrance and tuition fees. Due to COVID-19, my father's business, which is the main and only source of income for my family, has been drastically downsized and my family is having trouble sending money to me. As a result, paying the entrance and tuition fees by the due date has become a burden on my family finances.

<Sample 2>

I am applying for the emergency deferment to get permission for the late payment of entrance and tuition fees. Due to the impact of the COVID-19 pandemic, I was laid off from my part-time job, and my main source of income has significantly decreased. This has made it difficult for me to pay the entrance and tuition fees by the due date.
