

Emergency Deferment of Matriculation Fee for April 2023 and Tuition Fee for the First Semester 2023 Application Guideline for International Students

Students who satisfy all the following eligibility conditions may be granted deferment of payment of "Matriculation Fee for April 2023" and "Tuition Fee for the First Semester 2023" until Thursday, 29 February 2024.

Those who wish to apply for the emergency deferment should read this guideline carefully and apply as follows.

1. Eligibility

Emergency deferment is for undergraduate and graduate students who are facing financial difficulty due to the impact of COVID-19 and experiencing difficulty in paying "Matriculation fee for April 2023" or "Tuition Fee for the First Semester 2023" by the prescribed date. (Students who are scheduled to graduate or complete their studies in the middle of AY2023 are excluded.)

- You may NOT apply for any reasons other than financial reason caused by the impact of COVID-19.
- You may apply for the emergency deferment of both "Matriculation fee for April 2023" and "Tuition Fee for the First Semester 2023".
- You may apply for the emergency deferment regardless of whether you have applied for the matriculation fee exemption (deferment) or tuition fee exemption.
- Those who have applied for Hokkaido University's own matriculation fee exemption and have been unapproved or have been granted a half exemption may apply for both the deferment of matriculation fee intended for such students and this emergency deferment.
- There is no requirement for academic achievements.

2. Application Period

Friday, 28 July - Thursday, 10 August 2023, 5:00 pm

*Some offices of undergraduate/graduate schools may not be able to accept applications due to building closures, etc. Please check in advance.

*No revisions or resubmissions of applications will be accepted after the application period. Please make sure that all information is correct.

3. How to Apply

Please submit the “Documents Required for Application” to the office of your undergraduate/graduate school by bringing, mailing, or e-mailing. (Please refer to Attachment “Where to Submit Application Documents”)

6. Deadline for Payment

For those who are NOT granted emergency deferment: by Monday, 11 September 2023

For those who are granted emergency deferment: by Thursday, 29 February 2024

7. Notes

- Payment will be deferred once the application for the emergency deferment is accepted, so even if you receive the notification with regard to your tuition fee payment, please do not pay until the result of the emergency deferment is notified. Please note that the tuition fee will not be refunded once it has been paid.
- For those who have registered "direct debit" as their tuition payment method with the university, if your account balance exceeds the transfer amount, your tuition may be debited on Monday, 28 August 2023. Please note that the tuition fee will not be refunded once it has been debited.
- For those who have been granted the emergency deferment, a transcript including grades of the first semester of AY2023 cannot be issued until the tuition fee for the first semester 2023 is paid.
