※Please check the Health Care Center website as the date and time are specified depending on your affiliation.

(<https://www.hokudai.ac.jp/hoken/health/index.html>)

2. What to bring

- Record of previous exposure to radioactivities (Please fill in the necessary information.)
- Medical record (Those who only have a blood test are unnecessary.)

3. Precautions when visiting

- The temperature will be measured at the entrance of the venue on the day.
If you have a fever of 37.5 degrees or higher, you will not be able to take the checkup.
- Those who are sick on the day cannot take the checkup.
- Be sure to wear a mask.
- Please disinfect your hands at the entrance.
- Please refrain from having conversations within the venue.
- Minimize your luggage. There is no storage space in the venue.
- We sterilize the building from time to time, but we ask that you do not touch anything other than the handrail as much as possible.
