(1) If you cannot take the Medical Checkup on the designated day, please take it another examination day written above. (In this case, you do not need to contact Health Care Center.)

(2) If it is unavoidable that you can't take this Medical Checkup, you should go to another medical institution for a medical checkup, ask to fill out a "medical certificate authorized by Health Care Center", attach a "Record of previous exposure to radioactivities", and submit them to Health Care Center through your affiliation. At that time, the medical examination fee will be borne by the examinee.

※Deadline for submission: 17th July, 2020
